Paying by International Money Order or Bank Wire Transfer

IMPORTANT

You **MUST** have a **purchase order number** from Draganfly Innovations Inc. **before** you pay by money order or wire transfer. Without this number, your payment cannot be linked to your order and consequently your shipment may be delayed. If, for any reason, you have not yet received your purchase order number, please contact Draganfly Innovations Inc. and request it.

Once you have received your purchase order number, please follow the instructions below to pay by International Money Order or Bank Wire Transfer.
